We were correct when we said baving dull January and February business. To be sure there is no profit, in fact in many instances there are losses on our sales; but we have always had a great weakness to close out one season's stock be-fore the next season comes in, hence our stock is always fresh and new.

Birmingham, Alm., Feb. 21.—Thirteen Negro miners were Wednesday afternoon cutombed in the coal mines were from tused to the same miles to the depth of ten feet. There is a large force of hands at work pumping the water out of the mines but little progress is being made as but little progress in being made as but little progress in the mines at work of the same pumped out. The fate of the automised mines are problematical. It is thought it will take from 24 to 48 hours to clear the mines. At present there appears practically no hope naless air reaches them in a short time.
